**Florida Local Environmental Resource Agencies
2010 Annual Conference**

Call for Presentation Proposals

Leveraging the Green Revolution

Deadline for Submission: February 26, 2010

FLERA's 2010 Annual Conference will be held July 28-30, 2010 at the newly renovated Hyatt Regency Sarasota in Sarasota, Florida. The conference will focus on leveraging the green revolution. Professionals in state, regional and local government, and in the environmental, academic and consulting communities are encouraged to make presentations. Presentations for conference sessions can be on case studies, current policy questions, new practices, etc.

Each submission must include a completed submittal form (attached) and must be received no later than February 26, 2010 for consideration. Selected speakers that plan to attend the conference will receive a discounted "Speaker" rate.

Suggested Topic Areas include sessions on:

- Energy Efficiency and Alternative Energy
- Green Buildings and Low Impact Development
- Conservation Lands Acquisition and Management
- Habitat and Ecosystem Assessment, Restoration and Regulatory Compliance
- Climate Change and Local Resource Management
- Climate Change Vulnerability Assessments and Anticipating the Effects
- Environmental Impacts and Health Concerns
- Grants, Leveraging and other Funding Opportunities
- Public Education/Public Relations
- Smart Growth and Sustainability
- Green Economic Growth
- Pending Statewide Policy Issues and a Review of the 2010 Session

About FLERA: The Florida Local Environmental Resource Agencies is an association of county and municipal environmental programs that has worked to promote local environmental programs, and improve their management and effectiveness since the 1960s.
